

# The Third Annual Animal Rescue Network of New England "Putts fore Mutts" Benefit Golf Tournament September 16, 2010

The Animal Rescue Network of New England's mission is to create a united network of shelters and rescue organization throughout New England, all working together for a common good: **to save the lives of homeless pets**. It is common everyday practice to have to kill dogs and cats in an over crowded shelter to make room for incoming animals. Meanwhile in another shelter across town or across state borders, there are no dogs available for adoption. An opportunity for a pet to find a "forever" home is lost, because it sits waiting just a few miles away. By transporting animals from high traffic, over crowded shelters to more remote shelters that have waiting lists for incoming dogs, we can save lives.

A secondary, but equally important mission of ARNNE is to enlighten and educate the public about the pet overpopulation problem. Buying puppies and kittens from pet stores and irresponsible backyard breeders only produces a demand for more puppies and kittens, thus perpetuating the problem of pet overpopulation resulting in more deaths.

We are hoping that you can join us in our Third Annual "Putts fore Mutts" Benefit Golf Tournament to help us continue with our life saving efforts. This special event will be held at the Windham Country Club located at One Country Club Road in Windham, NH.

The entry fee for golfers is \$130 which includes 18 holes of golf, golf cart, complimentary use of driving range and lunch at the completion of the game. Golfer check-in and registration will take place from 6:45-7:45AM followed by an 8:00 AM shotgun, 18-hole scramble format.

We have a variety of sponsorships available which include:
